

## Keep Your Focus on Campus Missions

- Incorporate the five habits into your sermons.
- Pray for CMs during services.
- Respond personally to each CM whose report you receive.
- Send a monthly group e-mail to all CMs.
- Highlight CMs each month.
- Organize a prayer walk.
- Develop and distribute a prayer list of campus missionaries and schools.

God is more concerned with who students are than what they do. As they grow in the five habits—pray, live, tell, serve, give—they will become more like Jesus.
