

## PZP's and Your Church

*Make Prayer Zone Partners a vital ministry of your church by following this plan:*

- Schedule a Sunday service in which to promote the ministry of prayer through Prayer Zone Partners.
- Order enough brochures and static stickers for everyone in the congregation.
- Do a Sunday morning presentation of Prayer Zone Partners to the church. Sermon ideas and bulletin inserts are available for free download.
- Distribute a brochure to everyone in the congregation either in the church bulletin or through student ushers.
- Give a brief presentation on the ministry of Prayer Zone Partners, including the use of the static sticker, and ask people to personally sign up as a PZP.
- Use student ushers to collect the sign-ups as the people leave the service.
- Provide a static sticker to everyone who returns a completed PZP form.
- Copy the data for your records and forward the data or forms to the national Youth Alive office.
- Begin a regular communication to all the PZPs in your church. Keep them informed of the answered prayers and great victories in your campus ministry.
